Michele,

See below and attached. These are the two FOIAs that Edna mentioned. I did not see the e-mail before today. Are these requests you can address, or do you need to refer them to Region 2 and/or another region?

Hello Dan,

I am Deon Moore, the JRO for Contracts and Grants for OCSPP. OGD received two FOIA requests a week ago and forwarded them to me. I understand that CFDA 66.708 belongs to Region 2, but need assistance with pinpointing what region should handle CFDA 66.717. Edna Kapust recommended I contact you. I've inserted the conversation below. Any assistance you can offer would be of great help, thank you Dan.

Hey Deon,
The 66.708 is for Region 2 because the requestor was specific. But for the 66.717 we

need more information to determine which region it would go to. Yes, the FOIA would eventually be sent to the Regions however, I suggest first reaching out to the HQ P2 program folks so they can determine which region(s) need to supply FOIA information as there are several SRA grants, I think there could have been up to 20 and 9/10 regions participated in the SRA grant program.

Does this make sense?

Hi Deon, these were transferred to OCSPP by Kristina but the FOIA coordinator believes they should go to the Regions. Do you know which region(s) they should go to? Thanks for your help.

Hello, I have two FOIA requests for an example of grants awarded under CFDA's 66.717 and 66.708. Would you be able to provide me with a copy of an award for each? Thanks for your help. If you prefer I can have these transferred to your office.
